About us : Great Oaks Camp is a Christian camp working to serve youth from the Peoria area. We are a small camp with a close-knit staff structure. In years past we've run 8 weeks of our own summer camp, however this year will look a lot different. Partnering with churches that have intentional youth programs we will design their ideal camp experience with them and offer it for free. This is a trial year and because of that we're looking at roughly 2-5 weeks of "Camp Weeks". During the summer we'll have two types of weeks. Camp Weeks happen when we're leading summer camp for one of our Program Partner Churches. Any week we aren't, will be a Host Week

Camp Week

- Supervise assigned campers during the day
- Participate in all parts of camp with campers (meals, devotions, free time, etc.)
- Commit to being a Godly role model, team-member, friend, and counselor

Host Week

- Assist Pro Staff with their responsibilities.
- Clean cabins when needed and be present and ready to help any guests

All Weeks

- Attend Daily devotionals lead by Program Director
- Building relationships and learning from the Senior Staff
- Attendance at our weekly Team Outing isn't required but you won't want to miss those.

Benefits :

- Summer lodging and meals
- Weekends off (Friday night - Sunday morning) Contact us at program@greatoakscamp.org if interested.
