About us : Great Oaks Camp is a Christian camp working to serve At-Risk youth from the Peoria area. We are a small camp with a close-knit staff structure. Partnering with churches that have intentional “at-risk” youth programs we will design their ideal camp experience with them and offer it for free. This is a trial year and because of that we’re looking at roughly 2-5 weeks of “Camp Weeks”.

About the role : During the summer we’ll have two types of weeks. Camp Weeks happen when we’re leading summer camp for one of our Program Partner Churches. Any week we aren’t, will be a Host Week

Camp Week

- Supervise assigned campers during the day
- Participate in all parts of camp with campers (meals, devotions, free time, etc.)
- Commit to being a Godly role model, team-member, friend, and counselor

Host Week

- Assist Pro Staff with their responsibilities.
- Facilitate challenge course (high ropes course, initiatives, climbing wall, and vertical playground)

All Weeks

- Daily devotionals lead by Program Director
- Building relationships and pouring into Junior Staff
- Attendance at our weekly Team Outing isn’t required but you won’t want to miss those.

Requirements : The Summer Staff Member must be a Christian and willing to share the Gospel with the campers. They must be willing to be a Godly role model and willing to discipline campers. Flexibility is a must in this job. The leader must be willing to participate in camp activities including the physical ones such as hiking, canoeing, and fishing.

Benefits :

- Paid Training
- Summer lodging and meals
- Guaranteed paid salary with fund-raising assistance*
- Weekends off (Friday night - Sunday morning) Contact us at program@greatoakscamp.org if interested.
